

EC European Coatings SHOW 2009, Nuremberg

The number of visitors increased by 30% at the Pinova booth...

Although visitor numbers at the ECS 2009 are slightly down as a result of the industry-wide financial downturn, the number of interesting discussion at our booth increased by 30% compared with 2007.

NOVAPINT U...

The presentation of our **new product Novapint U** - an universal colorant for all water based and solvent based coating systems - attracted worldwide attention.

and the winner is...

More than 200 visitors took part in our competition. The price was a Patravi ChronoDate made by [CARL F. BUCHERER](#) - the exclusive Swiss watchmaker - to the value of Euro 3'800. On the last day, we drew as winner of the watch Mr Kurt Plöger – congratulation! He was informed immediately by phone. The watch will be handed over within the next days at our headquarters in Lengnau.

Wishing you a colourful beginning of spring!
